“CBC is a real example of unity - it’s a family”

It’s a challenge to keep 12 year old CBC student Elaine in one place for very long! However, we sat down with her recently to ask a few questions about what CBC means to her.

I’ve been here since I was 6 years old and CBC before that there were so many difficult moments in my life. If I had to talk about my life it would be impossible to do it without talking about CBC because it means everything to me.

Here I have found friends and love like I have never known. They have adopted me, care about me and always work with a smile on their face and by giving their best. I’ve found Christ’s love for me and I am eternally grateful.

CBC is a real example of unity - it's a family. I love everything here except or running during PE lessons!

My passion is theater and music. I've written 4 songs for the CBC student band, Kadosh. One of the songs is about living a holy life because God is holy. When I grow up, I want to be an actress.

CBC is absolutely the best thing that has happened to me in my life. Outside there are a lot of problems but I forget them here and feel like another kind of life is possible. I'm so thankful to the people that had the idea of starting CBC, it's given me breath in my lungs."

Elaine is a bright, energetic girl with many talents. We praise God for her faith and contribution to the project.

Please pray that she will continue to apply herself in her schooling and make good decisions about her time and activities as she enters her teenage years. Thank you for partnering with us to make a difference in her life with your monthly support.

A Little Rest

As you know, CBC staff are now on statutory vacation for the month of July. They will be enjoying a break from their intensive daily routine which includes up to two hours travel time to work.

Please pray for rest and refreshment with their families. Meanwhile, Marc, Ruth and

Oseias will be preparing for upcoming mission trips, new projects and maintenance needs at the project. Please pray for them too!

Second Semester

We have 7 teachers in need of a new classroom laptop. We have sourced a great deal for a strong durable system for \$320.

Could you bless a CBC teacher this summer with a special gift?

Here is a list of our staff members in need right now.

Silvia - 2nd grade
Lisiane - 3rd grade
Raquel - 5th grade
Janiarla - 7th grade
Nivia - music teacher
Oseias - logistics and management

If you think you can help, please visit our website and click on the webpay tab under donations.

You'll see a spot where you can give directly to CBC, to help meet the needs of these teachers when they return to work on August 1st.

We are hoping for a great response so that we can get these laptops in time for the new semester and show you classroom photos in the very near future!

The cost for each laptop is \$320

Thank you so much !
